2. Tell me a joke that brings tears to my eyes
 Tell me a joke so that I can laugh 'till I cry
 I've heard the news and it's always the same
 Never any laughs just trouble again
 So tell me a joke that brings tears to my eyes.
 There's something I can't quite put my finger on
 About a clockwork monkey beating a drum
 But anytime I've seen such a thing
 There's something inside me knows what it means.
 I want to learn how to dance
 I want to spin.
